

25 Targeted Counties for Enhanced DWI Patrols, 2015-2016

Source: Minnesota Department of Public Safety, Office of Traffic Safety

These counties will see added DWI enforcement, Oct. 1, 2015-Sept.30, 2016

The 25 counties are determined by the combined number of drunk driving deaths and alcohol-related serious injuries for the three year period, 2012-2014

County	Drunk Driving Deaths	Alcohol Related Serious Injuries	Estimated Economic Impact	DWI Arrests
Aitkin	2	10	\$3,627,200	343
